Reindeer on the Roof

Santa is worried! He fears that his post office at the North Pole is not big enough to handle all of the letters that children are sending from all over the world. Thankfully, Santa's chief elf, Wimbley, has come up with a solution:

Santa will send a small reindeer and barn to houses all over the world. These reindeer will help the children get their Christmas lists and wishes to Santa. All the children have to do is place their Christmas lists in the reindeer's saddlebags, and place their reindeer on the roof. Then, after the children fall asleep, the reindeer will fly to the North Pole and deliver the lists to Santa. In the morning when they wake up and see the reindeer back inside their barns, they will know that the reindeer delivered their Christmas lists and wishes to Santa.

Best of all, sometime Santa writes back!!

Write out your Christmas List

Roll up your Christmas List and place it into your Reindeer's saddlebag

Place your Reindeer on the Roof

When you fall asleep your Reindeer will fly to the North Pole and deliver your Christmas List to Santa
Sometimes Santa writes back!!

Message from Santa: You can send me anything you wish, pictures, notes, messages, favorite coloring page. Just place it into the reindeer's saddlebag and when you are asleep your Reindeer will deliver them to me...

If you send me cookies, my favorite are chocolate chip.

Merry Christmas, Santa
